## Flying Geese Units Workshop

### Workshop Supply List

In this workshop you have the opportunity to make four different quilts! Each of these quilts are made with 5" squares.

**Materials** – Please note that the requirements listed below are for the lap size for each of the quilts, if you wish to make a larger size please refer to the material charts in the books:

*Nickel Quilts* if making Dutchman's Puzzle

*More Nickel Quilts* if making Stars Over Mitford or King's Crown

*Amazing Nickel Quilts* if making Delta Star

Material requirements are given in three sizes for each of the quilts in the books. You should come to class with at least half of the 5" squares cut and be ready to sew. Cutting your squares at home where you have more space is easier on you and many classrooms have limited space. Please note: You will need border fabric, backing and batting to finish your quilt, please refer to the material charts in the books for the quilt you are making.

If you don't have a copy of the book yet you can view pictures of the quilts on my website [www.patspeth.com](http://www.patspeth.com)

**Bring a few extra light and dark 5" squares for practicing the technique.**

#### **Dutchman's Puzzle Lap Size 55" x 69"**

Background (light) 2 1/8 yds. Please have 100 squares 2 1/2" x 2 1/2" cut before class

Assorted 5" squares 72

Sashing 48 pieces 2 1/2" x 8 1/2" or you can cut and piece the sashing from 5" squares like I did with the King's Crown quilt. These pieces do not need to be cut for the class, you will use them when you are ready to assemble your quilt top.

#### **King's Crown Lap Size 53" x 67"**

5" dark squares 102

5" light squares 44 (this is your background fabric)

4 1/2" light squares 18

#### **Stars Over Mitford Lap Size 59" x 59"**

5" dark and /or medium squares 48 pairs (a pair is 2 five inch squares that are from the same fabric)  
16 singles

5" light squares (background) 32 pairs  
16 singles

#### **Delta Star Lap Size 56" x 72"**

5" batik squares 138

5" light squares 138 (this is your background fabric)

**Be sure to have your 5" squares cut before coming to class.**

Save any leftover pieces you may have at the end of your 5" strips after cutting them down into 5" squares and bring them to class. I have a great project for them!

**Basic supplies:**

- Sewing machine (bring extra needles)
- Basic Sewing Kit: scissors, pins, thread, seam ripper
- Rotary cutter (with sharp blade) and mat
- Rulers: 6" square ruler or a 6" x 12"
- Pencil or other fabric marking device for marking on the back of the fabric
- Iron and small ironing surface
- Design wall/surface (optional)\*
- Power strip and extension cord
- Notepad & pencil
- A copy of *Nickel Quilts, Great Designs* from 5" Scraps if you are making Dutchman's Puzzle. A copy of *More Nickel Quilts* if you are making Stars Over Mitford or King's Crown. A copy of *Amazing Nickel Quilts* if making Delta Star. Sharing one of these books with a friend will be fine, but you will need to have access to the book for information on materials required, size of your quilt, number of blocks, layout, and finishing your quilt.

I will have books with me available for purchase or you can order them from my website. [www.patspeth.com](http://www.patspeth.com)

\*If you bring the supplies listed below I will show you how to put your design wall together.

- 1 dressmaker's cardboard cutting board (the kind that folds up for storage)
- 2 curtain rods that extend to at least 72" (the white metal ones that curve on each end)
- a piece of white flannel 44" x 80" or a flannel backed vinyl tablecloth
- 10 large binder clips 2" size (from the office supply store)
